https://perma.cc/SJD7-777B

EBA is also not for anyone looking for a shortcut or "magic bullet" to success. There is no magic wand offered with this course. Instead, we offer a comprehensive, strategic framework and a step-by-step process that allows you to know exactly where to focus your efforts in order to maximize your results.

Instead, EBA is for people who are committed to following the process. The thing our successful alumni have in common is a willingness to roll up their sleeves and get to work and to put 100% of their effort into completing the assignments in order.

WHAT IF I DON'T HAVE A BLOG YET, CAN I STILL JOIN?

You will want to have your website set up before diving into Unit 1 of Elite Blog Academy. However, if you have not yet set up your blog, we also provide a Build Your Blog Bootcamp as a course bonus that will walk you through the basics so that you are ready to jump into the full course. More than 60% of our students don't have a blog before **joining EBA**, so you will be in good company!

I AM ALREADY AN EXPERIENCED BLOGGER, IS THIS COURSE ONLY FOR BEGINNERS?

EBA is definitely not just a course for beginners! In fact, I think that advanced bloggers probably have the most to gain from EBA! A huge number of our students have gone through the course more than once, and they tell us that they get something new and different from it every single time. We find that it is a little like peeling an onion—the further you are in your blogging journey, the deeper you will be able to go!

WHAT MAKES EBA DIFFERENT?

There is no shortage of good information available about blogging and online business or marketing. In fact, in many ways, that is exactly the problem. There is so much information, so many people sharing so many ideas and saying so many different things, that it is almost impossible to sift through. In fact, the information overload becomes so overwhelming that many bloggers simply get paralyzed and can't move forward, while others keep switching from one tactic to the next, and then wonder why they can't find any momentum.

Elite Blog Academy is totally different because what EBA provides is a comprehensive, step-by-step, framework for success. It goes beyond tactics to provide an actual strategy—one that has been proven, through 6 years and more than 11,000 students so far—to get consistent results.

Most people aren't all that great at strategy. They struggle to see the big picture or to lay out a plan that includes all the steps that will take them where they want to go. But without the strategy, even the best tactics won't help you all that much, because you'll always struggle to build momentum.

EBA is built on the idea that momentum and results come from taking small, focused action steps in the right direction. With EBA, you'll never have to wonder whether you are on the right track because we tell you exactly what steps to take, in what order, until you get to where you want to be.

WHEN DOES EBA START? HOW LONG DOES IT LAST?

Because the course is hosted online, you will receive instant access as soon as you have completed your registration. The course is intended to be self-paced, and how quickly you move through the units will depend on you. On average, our students take between 9 and 18 months to complete the course material on their own. If you'd like to accelerate your process and get through the course faster, we recommend our Platinum level.

Describes the course as lasting 9 to 18 months on average (note the 6-month length of the deferred interest period)

WHAT'S INCLUDED WITH MY TUITION?

Your EBA tuition gets you lifetime access to the core curriculum for the life of the EBA course, including all future course updates. In addition to our core curriculum, you'll get access to a number of bonus trainings, partner bonuses, weekly support emails, regularly scheduled office hours, and an exclusive members-only Facebook group.

WHAT'S THE INVESTMENT? IS THERE A PAYMENT PLAN?

EBA 4.0 is available for a one-time payment of $1097 for the silver level, $1597 for gold, or $4997 for platinum.

Many of our students compare taking EBA to going to college—it's that comprehensive, and that intense. When you put it into that context, it's pretty incredible to consider that our tuition for EBA is less than you would pay for one semester at a community college, or even just one class at a 4-year university, and yet this one single course has the power to change your whole future.

We do offer some limited payment plans (4 payments of $297 for silver, or 5 payments of $377 for gold, or 6 payments of $947 for platinum), but because we are not a bank, we don't have the ability to offer more flexible payment options. We encourage you to check out other options for financing! You can secure funding through a low-interest credit card (view a list HERE), or apply through PayPal Credit HERE.

IS IT WORTH UPGRADING TO GOLD? WHAT ABOUT PLATINUM?

Without a doubt, 100% YES! Our Gold level membership includes more than $2,676 in additional bonuses and learning materials that are designed to enhance everything you are learning in EBA 4.0, including our game-changing Product Launch Playbook, all videos

ADAMARIS LOPEZ
MASTER DOG TRAINER

LIMARIS SANCHEZ
ACADEMY DIRECTOR

ILSE ALLENDE
JUNIOR DOG GROOMER/TRAINER

https://perma.cc/H4TB-R5CU

When Adamaris was a little girl, she declared, "I want to be a dog trainer." Furthermore, she made her dreams come true with the help of her family. Adamaris started to volunteer in non-profit dog training organizations. Then she attended college and studied American Sign Language. After some time, she got the opportunity of a lifetime to go study to become a Master Dog Trainer at National K-9 School for Dog Trainers, in Columbus, Ohio. She is the Dog Groomer and Dog Trainer Instructor Program, She Trains trainers. Now, she lives happily ever after as a Master Dog Trainer.

Limaris is a mother of two beautiful girls, Adamaris and Ilse, and the adopted mother of five (5) awesome dogs: Pixie a retired Service Dog, Tyson a Therapy Dog, Sophia a Service Dog, Bailey a Service Dog and Pumpkin a granddog. Together they built Dog Groomer Academy, LLC. Ilse was the inspiration, Adamaris was the dreamer, and Limaris was the builder. She has two Bachelor Degrees, one in Accounting and another in Business Administration. She has a Master's Degree in Human Resources and Ph.D. credits in Industrial Psychology. She has taught many university courses in Business Administration and was the owner of Sanchez & Allende Human Resource Consultants. Her life changed in 2001, when Ilse was born, and in 2010, she became a dog groomer and trainer. She has attained a successful career in the pet field.Now, she is the Dog Groomer Academy Director and Groomer Instructor and she is super proud of all her students.

She is a teenager, a high school student at Arbor School of Central Florida, and the owner of Pixie, her retired Service Dog, and Sophia, her Service Dog. Ilse was part of the Pixie and Sophia training team, learning how to handle and care for a Service Dog. She and Sophia are inseparable. They go everywhere together: school, movies, restaurants, medical appointments, and hospital visits. Ilse loves to play with the dogs and helps with the training and grooming. She has learned how to teach the Puppy Elementary School and Middle School, (Basic Obedience and Advanced obedience on leash) and High School (Advanced obedience off leash). Ilse is our Junior Dog Trainer and Junior pet Groomer. She is a very special girl: her medical conditions are not a limitation. When she was asked, if she wanted to be part of the Dog Groomer Academy team, her answer was YES!!!!!!!
